STUDYING ABROAD

FINDING AN INTERNSHIP

STARTING UNDERGRADUATE RESEARCH

Join us on Zoom to “drop-in” with questions one-on-one with an advisor. Drop-in advising is for short, quick questions, so plan for your advising to last no longer than 10 minutes, as others will be in the “waiting room.”

If you believe that your topic requires more than 10-minute drop-in (such as a resume review), please schedule an appointment following the attached instructions.
