

Website with Answers to Spanish Advising Questions:

Many of your advising questions are answered on the Spanish Program webpage:

<http://liberalarts.vt.edu/academics/majors-and-minors/spanish-major.html>. Please read this information before contacting a Spanish advisor.

Which Spanish Advisor to Contact for Help:

- If you have **not yet declared** the Spanish major or minor and are doing so this semester, you should contact the following advisor:
 - Dr. Catalina Andrango-Walker, candrang@vt.edu
- If you **already declared** the Spanish major or minor, contact Ms. Erin Hale (emhale@vt.edu), to ask who your advisor is.

Information to Give Your Spanish Advisor:

- 1) How many years of Spanish you took in high school and the grades you earned;
- 2) Any AP or IB Diploma exam scores you got from high school (VT does not give credit for the IB certificate, only the IB diploma);
- 3) Any Spanish classes you took at other colleges and the grades you earned;
- 4) Any Spanish classes you have already taken at VT;
- 5) How long it has been since you took a Spanish class;
- 6) Any extended live-abroad experience you have had in a Spanish-speaking country;
- 7) Whether Spanish is going to be your major, your minor, the language for your International Studies major, or an elective;
- 8) What semester you plan to graduate.

How to Declare a Spanish Major or Minor:

Priority for adding and force adding Spanish classes is given to Spanish majors and minors, so declare it as soon as possible.

- If you would like to declare Spanish as a primary major, you may do so via Hokie Spa and the Hokie.COMM link during the prescribed dates. Outside of those official change-of-major dates and as long as you are already a student in CLAHS, you may contact Dr. Kimbrell (mkimbrel@vt.edu) in the Dean's office, who will assist you in adding Spanish as your primary major.
- If you are interested in declaring Spanish as a secondary major or a minor, please fill out a form that is available at <https://liberalarts.vt.edu/forms.html> (Click on "Change of Primary Major, Second Major and/or Minors" and then click on "Request to Change Second Major or Minor form"). Within a couple of weeks of completing the form, you should receive an email telling you who your Spanish advisor is. If you do not receive this email within a couple of weeks, you can email Ms. Erin Hale (emhale@vt.edu) to ask.

If you have questions or concerns that your Spanish advisor is not able to answer, please contact the Spanish Program Director: Dr. Gudmestad, agudmest@vt.edu.
