CC Pam 145-4, para 2-55 **Dental Exam Requirements (revision date Nov 05)**

b. Dental films for casualty identification purposes are required for all participants in the ROTC program who must use government-owned or government contracted transportation. The PMS is to ensure the cadet's dental records contain sufficient documentation to aid in forensic identification.

(1) ROTC cadets must provide name, address, and phone number of his/her dentist and sign a statement acknowledging that his/her civilian dental records contain descriptive profiles, bite wing x-rays, orthodontic profiles or dental x-rays.

(2) ROTC students not pursuing commissioning credit (ineligibles, academic credit only, etc.) are not permitted to participate in other than classroom activities. However, if these students are transported using government owned or government contracted transportation, they must have a dental record for identification purposes. In such circumstances, these students must provide the name, address, and phone number of his/her dentist and sign a statement acknowledging that his/her civilian dental records contain descriptive profiles, bite wing x-rays, orthodontic profiles or dental x-rays.

c. In addition to the above, DNA is obtained as part of the commissioning physical at LDAC.
